This past weekend we began our "EVERYDAY" series. In a world that seems to be increasingly complex, our desire is to build lives on Biblical values so that our people are able to navigate the challenges that often come. So often I meet individuals whose lives are moving so fast that they cannot even enjoy being fully present where they are. The topics of "Bless Others", "Embrace Margin", "Live Joyfully" and "Forgive" are all things that we have opportunity to do EVERYDAY. As you prepare to listen to each message, ask God to stop you long enough to listen whole heartedly. Pray that God will use this series to encourage, instruct and bless our people.
