Teacher: Pastor Scott

Title: Cultivate ~ Give

Scripture: Titus 3; 1st Timothy 6; Acts 3:1-10

Discussion Questions:

1. Share a time someone “payed it forward” to you. How did that act make you feel? What did you do in response?
2. Read 1st Timothy 6:17-19. How does the bible define a productive life?
3. God gives us things for our enjoyment – how easy or difficult is that for you to accept?
4. How do we know when we are giving enough?
5. Read Acts 3:1-10. What stands out from the story to you? What do you take away from the story?
6. In the message, Scott mentioned the key thought: ***I am here, so God must want me to do something good here.*** How might that change your perspective this week?
7. Use the Cultivate Guide Ideas, or as a group, brain storm practical ways to make a different in someone’s life but in a way that could ignite progress on their journey of faith.

Prayer: Ask God to help you listen and look for the good works he has for you this week.

Titus 3:8 & 14

⁸This is a trustworthy saying. And I want you to stress these things, so that those who have trusted in God may be careful to devote themselves to doing what is good. These things are excellent and profitable for everyone. Our people must learn to devote themselves to doing what is good, in order to provide for urgent needs and not live unproductive lives.
