ROLE

- Start Date: ASAP
- Full-time/40 hours per week
- 1-year contract

The Creative Arts Department at Trinity is looking to hire an individual with a passion for all things video. We are looking for someone that loves embracing creative ideas, thrives in adaptability, and can have a loose grip on schedules depending on the season. In this position, you would report to and work with the Video Coordinator on a variety of projects such as worship music videos, digital messages, NextGen content, and much more. You must be able to perform actions and be a contributing member to the entire video creation process (brainstorming, recording, editing, live switching, etc.)

You must be confident and able to see a project through to completion, by yourself, if needed. We are looking for an individual with previous, practical experience in the world of live and in post-production video. While we do recognize that we all learn and grow in our skills over time, we are looking for an individual that is already quite competent in the video field and able to jump into projects with little to no hesitation.

SKILLS

- Communication
- Teamwork
- Adaptability
- Creative Storytelling
- Video Shooting
- Video Editing
- Adobe Premiere Pro (preferred program)
- Graphic Design
- Live Video Switching
- Adobe After Effects (or equivalent program)
- Adobe Photoshop (or equivalent program)
- Adobe Illustrator (or equivalent program)

The following are not required, but are **assets**:

RESPONSIBILITIES

Support the mission, vision and values of all ministries within Trinity Church through the lens of a camera

- As directed, work with writers, service producers, other members of the Arts Team & Trinity staff to plan and execute unforgettable content & experiences
- Empower, develop and support the growth of interns & volunteers in video production (live & post-production environments)

Live Production & Post-Production:

- Plan, shoot, and edit pre-produced video projects (including weekend elements, online content, training resources, etc.)
- Provide support and give leadership as directed to the execution of live video elements for weekend services – specifically switching and live camera operation

Equipment Maintenance:

- Help manage, care for and speak into the upgrades for all video gear and infrastructure, in partnership with the Video Coordinator, Technical Director & Creative Director.

REQUIREMENTS

Technical Proficiency:

- Ability to work with a wide range of gear for live and produced video elements
- Ability to design and set up proper lighting for video capture

Software Proficiency:

- Adobe Premiere Pro or equivalent program

Digital Media Proficiency:

- Upload, organize and archive digital content

Culture & Teamwork:

- Experience and ability to cast vision for a project and provide leadership for potential volunteer filmmakers
- Always seeking to grow, learn and be challenged, be a student of digital culture
- Strong ability to provide art direction and creative feedback to other members of the team
- A strong team player who's more concerned about getting it "right" than getting it done or getting the credit

PROTECTION SCREENING

Will be required to complete a Criminal Record Check
Post open until position filled
