

TRINITY CHURCH

ANNUAL GENERAL MEETING

2022

DEAR TRINITY FAMILY,

Whether you joined Trinity in the last 2 years or you've been here since day 1, it is not lost on anyone how 2022 wasn't just another ministry year. Significant internal leadership transitions, flooding, revenue constriction, scaling of our staff team, and a world that was visibly shaken from the all-consuming impact of a multi-year pandemic. We were brought to our knees literally, and figuratively. If I were to try and capture a word for 2022 at Trinity it would be refining. It is a transitive verb which means to: reduce, free and improve. Whether we liked it or not, we had to reduce our ministries and structures. Free our mindsets from "what was," and improve... Discover again who we are, and who we are becoming. I couldn't be prouder of how we responded. Our staff team stepped into the unknown and led with ingenuity, simplicity and authenticity. The Elder Board & Deacons shifted, learned and implemented. You, our faith community, flexed, adapted, shifted, invested and served. For me, it was a front row seat to what God was unequivocally doing through it all. Convicting, pruning, inviting, and inspiring each one of us to trust him more. It felt like we had no other option than to completely depend on the character of God. His unfailing promises. His unwavering faithfulness. His unconditional love. In doing so, he gently refined us too.

AGMs are intended to look back as we review the operational side of what we do. And yes, we

will present audited financials, a Renewed Heart Renewed Home update and some reports but we won't stop there. AGMs also signify a beginning. An anticipation of where we are going. If you are reading this, you have been purposed for this moment of time in 2023. Not to fearfully hold on to what was, rather, courageously step into what God is doing. Over the course of these next months, led by the Elder Board and staff team, we will be inviting you into a Mission, Values, Vision & Strategy renewal process for Trinity Church. It will be a time to celebrate and learn from where Trinity has been in the last 60+ years, and step into what God wants to do through us in this generation. I am so grateful to be part of Trinity's story today, aren't you? And to think, God wants to do even more.

Paul captures it all so well in Colossians 2:
"So then, just as you received Christ Jesus as Lord, continue to live your lives in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness."
Colossians 2:6-7

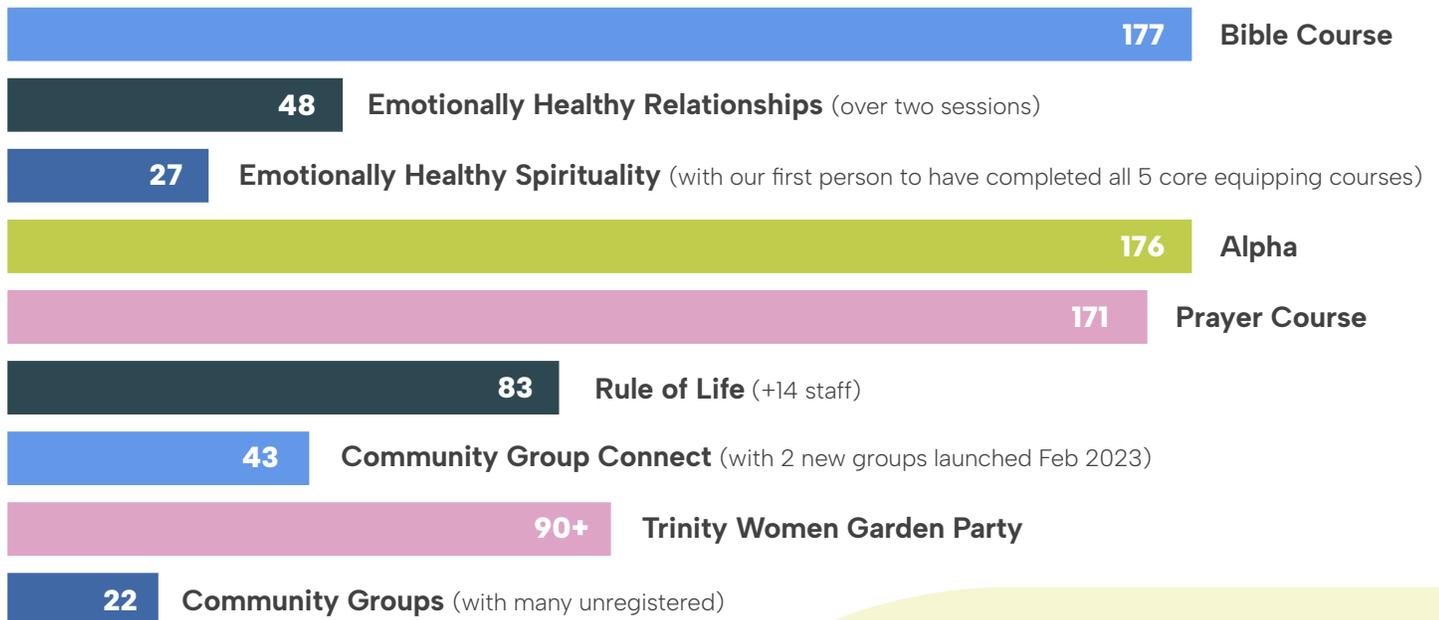

Believing together for what is to come.

NEXTGEN IN REVIEW

We couldn't be more grateful for the **150+ Volunteers** actively and regularly serving across NextGen! This time of year is typically when we see our numbers dip and yet we're experiencing the opposite.

Our numbers are growing with **150+ Kids** attending throughout Nursery, Preschool and Grade School, with an average of **140 attending on a weekly basis**.

Every weekend **45 Volunteers** partner with us and families, meaning we see almost **200 people** come through Trinity Kids!

The campus is buzzing on Wednesday nights with record-breaking numbers of **171 Middle & High School students and leaders**.

So many Young Adults are plugging into community groups that we're in need of multiple host homes & leaders. Please partner in praying with us for leaders & homes to host in for the coming year.
